- To be able to start in a final, a horse must be nominated for that series. One horse can be nominated for more than one series. Late nominations 4pm 13 May at a fee of \$50.
- Horses which start in any of the qualifying races will receive points on the following basis: 1st - 9pts, 2nd - 7pts, 3rd - 5pts, 4th - 3pts, 5th - 2pts, every other runner 1pt. Only horses nominated are eligible to earn points. Horses are not required to run in all or any of the qualifying races, but if at the time of the final withdrawal the number of horses remaining is more than the starting limit, preference will be given to those horses which have accumulated the greatest number of points in the qualifying races, irrespective of the handicap weight of the horse.
