**ACCESS TO SADDLING ENCLOSURE**

Following consultation with the New Zealand Trainers' Association & Racing Clubs, it has been agreed that entry to the Saddling Enclosures at all thoroughbred racing venues will be restricted to Licensed Trainers & Registered Persons. In conjunction with this directive, the minimum age for staff to enter these areas is 14 years unless a Stipendiary Steward has granted prior approval. In order to enforce this policy, Licensed Trainers and Licensed Persons must display their official NZTR ID card to gain access to the Saddling Enclosure areas on raceday.

**Licence Display:**

To assist security in ensuring that only authorised people are allowed into the raceday stalls area it is essential that all licence-holders and licenced staff wear their licence badges so that they are clearly visible at all times. Security do not necessarily know trainers and other licence holders by sight and wearing licence badges so that they are easily seen will prevent any unnecessary embarrassment in accessing the stalls area.

licence-holders and licensed staff wear their  
licence badges so that they are always  
clearly visible.

Security do not necessarily know trainers  
and other licence holders by sight and  
wearing licence badges so that they are  
easily seen will prevent any unnecessary  
embarrassment in accessing the stalls area.  
**PLEASE ENSURE THAT YOU HAVE YOU  
NEW SEASON 2022/23 LICENCE.**

**HORSE FLOAT PARKING:** All horse floats  
are to use the containment area.  
Trainers and horse float operators are  
advised that it is a requirement of the CJC  
H&S policy that all floats unload and load  
within the confines of the contained Float  
Park. Horses must not be unloaded or  
loaded anywhere other than within this  
area. Horse floats must enter the  
Racecourse from the Steadman Road gate.

**HORSE CONTAINMENT – GATES CLOSED:**  
Trainers and horse-float operators are  
reminded that all gates to the stables on  
Racecourse and Yaldhurst Roads are to  
always remain closed. Please ensure that  
your owners, staff, and other contractors  
are aware of this requirement. This is a  
major safety issue as closed gates prevent  
horses escaping off the property onto the  
surrounding roads.

**RACEDAY STALLS:** Given there could be a  
high number of starters with resulting  
pressure on tie-up stalls Trainers are asked  
to work together in managing the use of tie-

up stalls. Please do not leave vacant stalls  
between you and your neighbour. Any  
reserved stalls will be released if horses  
have nowhere to go. Please return horses  
to the Visitors/Permanent Stables as soon as  
possible after racing.

Two extra stalls have been created by  
shifting the Clerks of Course to the Farrier  
area, eight new outdoor tie-up stalls facing  
the Grand National Stand have been built  
and the two small yards have been brought  
into the area by re-aligning fencing. This  
creates an additional 12 places for horses  
resulting in 132 in total.

**VISITORS STABLES CONGESTION:** Trainers  
are asked to park horse floats in a manner  
that does not cause congestion in the  
walkway to the track. During track work  
people need to be observant that horses  
and being led and ridden to the track.
