approval. In order to enforce this policy, Licensed Trainers and Licensed Persons must display their official NZTR ID card to gain access to the Saddling Enclosure areas on raceday.

Licence Display:

To assist security in ensuring that only authorised people are allowed into the raceday stalls area it is essential that all licence-holders and licenced staff wear their licence badges so that they are clearly visible at all times. Security do not necessarily know trainers and other licence holders by sight and wearing licence badges so that they are easily seen will prevent any unnecessary embarrassment in accessing the stalls area.

All weights

The Omicron variant is widespread. Licenceholders who have cold or flu symptoms or are COVID positive or are living in isolation with a COVID case MUST NOT attend a race or trial meeting. This is in accordance with Ministry of Health requirements.

Due to the current spike in Covid positives nationwide the weights for ALL flat races will be increased 1kg at final withdrawal time from 30 March to 10 April inclusive, with a possible extension to meetings up to and including 18 April. This decision was arrived at after consultation with industry groups including clubs and both the trainers' and jockeys' associations. This will assist any rider returning to racing after a period of illness.
