**BALLOTING CONDITIONS**

1. The following horses, if entered for the 2017 Vodafone New Zealand Derby, shall be exempt from the ballot:

a) Horses placed first, second, third and fourth in the Avondale Guineas (2100m) held at Ellerslie on 18 February, 2017.

2. Horses, which at the time of final withdrawal have received the least amount of aggregate stakemoney, shall be first eliminated. This procedure will continue until the stipulated limit has been reached. In determining the aggregate stakemoney, the following conditions apply:

a) Two-year-old stakemoney – only the stakemoney earned in Group 1 two-year-old events will be taken into account.

b) No bonus prizemoney will be taken into account.

Qualifying stakemoney will therefore comprise the total stakemoney earned as a three-year-old plus any stakemoney earned in a Group 1 two-year-old race.

As per NZTR policy any prizemoney earned overseas will be converted to NZ dollars at the exchange rate quoted by a major trading bank of the Auckland Racing Club's choice on 1 January 2017.

3. In the event of two or more horses having earned identical stakemoney, preference will be given to:

a) Winners that have been placed 1st, 2nd or 3rd in a Group or Listed race of 1600m or further.

b) Horse(s) with winning form at distances in excess of 1600m.

4. Maidens other than those placed in a Group or Listed race as a three-year-old including the horse placed 4th in the Avondale Guineas, at time of final withdrawal, are ineligible.

In the event of a horse being eliminated under the balloting conditions, the final withdrawal fee shall be refunded.
