

Owners/Trainers Payment Dates for 2017/18 Season

NZTR will process and pay Owners and Trainers as per the schedule below with payments made by direct credit twice per month.

Where a horse has been swabbed for drug testing, and the tests have not been cleared by the scheduled payment date, the owner will be paid in the next payment run after the swab has been cleared. This will only affect Trainers payments where a race has a total stake of \$200,000 or more. In this case both the Owner and Trainer payments will be withheld until the swabs have been cleared.

The laboratory that tests the swabs taken from horses will be closed on the public holidays over the Christmas and New Year period. Combined with the large numbers of races around this time, there can be some delays to the reporting of results from these swabs.
