BALLOTING CONDITIONS

The following horses, if entered for the 2021 Vodafone NZ Derby, will be exempt from the ballot. Horses placed first, second and third in the Avondale Guineas and horses placed first, second and third in the Waikato Guineas. Horses which, at the time of final withdrawal, have received the least amount of aggregate qualifying stake money will be eliminated first. This procedure will continue until the stipulated field limit has been reached.

In determining the aggregate qualifying prize money, the following conditions will apply.

Two-year-old stake money: Only stake money earned in Group 1 two-year-old races will be taken into account.

Karaka Million 3YO Classic: Stake money for first to fifth (inclusive) will be taken into account. For the avoidance of doubt, stake money for horses that place 6th to last will not be taken into account.

No bonus stake money will be taken into account.

Qualifying stake money will therefore comprise the total stake money earned as a three-year-old – with the exception of sixth to last in the Karaka Million 3YO – plus any stake money earned in a Group 1 two-year-old race but exclude any bonus stake money earned at any time.

As per NZTR policy, any qualifying stake money earned overseas will be converted to NZ dollars at the exchange rate quoted by a major trading bank, of the Auckland Racing Club's choice, on 1 January 2021.

In the event of two or more horses having earned identical stake money, preference will be given to:

Winners that have been placed first, second or third in a Group or Listed race of 1600 metres or further and:

Horses with winning form at distances of more than 1600 metres

Maidens at the time of final withdrawal, other than those placed in a Group or Listed race as a three-year-old, are ineligible.

For the purposes of these balloting conditions, the term "bonus stake money" means any bonus or other amount that is credited to a horse in respect of a race which does not form part of the NZTR-advertised stake credited to the horse on account of such horse having been placed in a stake-bearing place in that race.

Once entered for the Vodafone NZ Derby, horses remain in the race till they are withdrawn.

NB: Owners will be liable for fees which become due if horses are not withdrawn.
