# NORTHERN REGION TRIALS

## NOVEMBER:

8	Thursday	Cambridge
14	Wednesday	Avondale

In the event that the number of entries for a trial meeting means that the number of heats exceed 30, then the following elimination conditions will apply:

1. When programming trials, preference will be given to those events that were eliminated at the previous trials meeting in the Northern Region.
2. In August, September & October, Maiden four year olds and upwards will be eliminated first starting with the longest distance. If further eliminations are required the next horses to be eliminated will be Maiden three year olds starting with the longest distance. In the months of November through July (inclusive) Maidens will be eliminated first starting with the longest distance.
3. Exemptions regarding longer distance heats will be considered if there is a need to accommodate horses preparing for jumping races.

4. When trial fields are compiled in the months of November through July (inclusive) three & four year old+ Maiden heats will be combined. In August, September & October, three & four year old+ Maiden heats will be programmed separately.
5. If the deletion of heats is necessary at 12pm, the fields will remain open for a further 30 minutes. The trainers of eliminated horses will be advised via text and/or email to be given an opportunity to move their horse or horses into a heat for which they are eligible, and in which there is an available position, notwithstanding the starting limits that apply. This will be done on a first come first served basis.
6. Once the fields have closed, no further entries will be received or horses swapped except in extreme circumstances, such as a horse being placed in an incorrect heat by the NRB.

### **TRIALS FEE SCHEDULE – SLIDING SCALE (EFFECTIVE 28 FEBRUARY 2013)**

### **SCRATCHING FEE**

From 5 April 2010, a horse scratched at the trials may be liable for a scratching fee. The scratching fee will be the applicable nomination fee charged for that trial meeting. The scratching fee will be waived if the horse fits within the following criteria.

- (a) A veterinary certificate is received by NZTR by 12 noon on the first business day after the trial meeting.
- (b) A horse starts at a race meeting within 48 hours of the scheduled trial meeting.
- (c) Track conditions move two bands in either direction after nominations have closed e.g. Good – Slow, Dead – Heavy and vice versa.
- (d) A horse is late scratched at the barrier on veterinary advice.

## **TRIAL FEE ACCOUNTS**

## **CLASSIFICATION SYSTEM**

The following is an explanation of the Classification system changes, which became effective from 14 November 2011:

### **MAIDEN:**

For horses that have not won a flat race.

Set weights: Colts, geldings and entire **58.5kg**, fillies and mares **56.5kg**. Three-year-old allowances apply as below: -

August – October            2.5kg

November – January       1.5kg

February – April            0.5kg

May – July                    Nil

### **RACES BASED ON RATING BANDS:**

As from 14 November 2011, races based on rating bands have been amended in accordance with the changes to the NZTR Handicapping Policy. These rating races are run up to a particular rating band and will vary from region to region and time of the year, depending on available horse populations, e.g. Rating 65, Rating 75, Rating 85 etc. From 1 August 2012 all Ratings based handicaps will be run as Benchmark races. \*In R65 Benchmark races horses with a rating of up to and including 65 are eligible and only those with a rating of 66 or higher provided they have not won more than one race.

### **OPEN HANDICAP:**

For all horses not less than three years old.

### **MAIDEN HURDLE / STEEPLECHASE:**

For horses who have not won a hurdle / steeplechase race.

Set weight 68kg.

### **HURDLE / STEEPLECHASE (OPEN):**

Minimum weight 65kg.

## **MINIMUM WEIGHTS**

- The minimum weights for all handicap races (except Group and Listed or Open Premier Handicap Races) is 54kg (effective 1 Feb 2011).
- The minimum top weight declared for all handicap races (except two and three year old races) is 59kg (effective 1 Feb 2011).

## **DUAL ACCEPTORS**

Licence holders should be aware of the general policy regarding dual acceptors.

Clearly, if horses are being entered at two meetings within 48 hours of each other, Clubs will apply their discretion to eliminate the horse from one meeting if full fields exist at both places. This policy also applies where horses are entered in more than one race at the same meeting.

If a horse will make the field at both meetings, or in both races at the same meeting, licence holders should advise of their preference rather than face disappointment by being eliminated from the race and/or meeting that is preferred.

There is an exemption to this policy, when it involves Group and/or Listed races. Where a horse is accepted in a Group and/or Listed Race and any other non black-type race scheduled within 48 hours and its weight, rating or qualification would merit a start in both races, that horse may be eliminated or balloted out of the non black-type race irrespective of its weight, rating or qualification if there are ballots required.

Clubs that conduct multi-day meetings within 48 hours are exempt from this policy provided this condition is advertised in the official advertised programme.

These procedures have been put in place in an effort to obtain starts for as many horses as possible.

## **POINTS SYSTEM FOR MAIDEN RACES**

The following is an explanation of the points system used for field selection for maiden races:-

Raceday 2nd add 2 points – minimum 7 points, maximum 9 points

Raceday 3rd add 1 point – minimum 6 points, maximum 9 points

Raceday 4th minimum 5 points – if presently higher stays as is

Raceday 5th minimum 2 points – if presently higher stays as is

Raceday 6th in one a horse's first 3 starts will accrue 1 point. This is not accumulative.

- 1 point to be deleted for every unplaced run (6th or worse), after 3 unplaced runs points revert to zero.
- Any Maiden horses rated 45 that wins a trial, receive 2 points. Points are not cumulative.
- Fell, brought down, pulled up, ran off, disqualified and lost rider are ignored.
- An unplaced run in a Group or Listed race is ignored.

Examples:

0287.....5 points	766.....1 point	4565.....4 points
8202.....8 points	3908.....0 points	006.....1 point
4522.....9 points	0499.....3 points	2005.....5 points
9984.....5 points	4564.....5 points	2434.....8 points
