ACCESS TO SADDLING ENCLOSURE
Following consultation with the New Zealand Trainers' Association & Racing Clubs, it has been agreed that entry to the Saddling Enclosures at all thoroughbred racing venues will be restricted to Licensed Trainers & Registered Persons. In conjunction with this directive, the minimum age for staff to enter these areas is 14 years unless a Stipendiary Steward has granted prior approval. In order to enforce this policy, Licensed Trainers and Licensed Persons must display their official NZTR ID card to gain access to the Saddling Enclosure areas on raceday.

Licence Display:
To assist security in ensuring that only authorised people are allowed into the raceday stalls area it is essential that all licence-holders and licenced staff wear their licence badges so that they are clearly visible at all times. Security do not necessarily know trainers and other licence holders by sight and wearing licence badges so that they are easily seen will prevent any unnecessary embarrassment in accessing the stalls area.

Trainers and horse-float operators are reminded that all gates to the stables on Racecourse and Yaldhurst Roads are to always remain closed. Please ensure that your owners, staff, and other contractors are aware of this requirement. This is a major safety issue as closed gates prevent horses escaping off the property onto the surrounding roads.

VISITORS STABLES CONGESTION: Trainers are asked to park horse floats in a manner that does not cause congestion in the walkway to the track. During track work people need to be observant that horses and being led and ridden to the track.
