ACCESS TO SADDLING ENCLOSURE

Following consultation with the New Zealand Trainers' Association & Racing Clubs, it has been agreed that entry to the Saddling Enclosures at all thoroughbred racing venues will be restricted to Licensed Trainers & Registered Persons. In conjunction with this directive, the minimum age for staff to enter these areas is 14 years unless a Stipendiary Steward has granted prior approval. In order to enforce this policy, Licensed Trainers and Licensed Persons must display their official NZTR ID card to gain access to the Saddling Enclosure areas on raceday.

Licence Display:

To assist security in ensuring that only authorised people are allowed into the raceday stalls area it is essential that all licence-holders and licenced staff wear their licence badges so that they are clearly visible at all times. Security do not necessarily know trainers and other licence holders by sight and wearing licence badges so that they are easily seen will prevent any unnecessary embarrassment in accessing the stalls area.

HORSE FLOAT PARKING: All horse floats are to use the containment area. Trainers and horse float operators are advised that it is a requirement of the CJC H&S policy that all floats unload and load within the confines of the contained Float Park. Horses must not be unloaded or loaded anywhere other than within this area. Horse floats must enter the Racecourse from the Steadman Road gate.

HORSE CONTAINMENT – GATES CLOSED: Trainers and horse-float operators are reminded that all gates to the stables on Racecourse and Yaldhurst Roads are to always remain closed. Please ensure that your owners, staff, and other contractors are aware of this requirement. This is a major safety issue as closed gates prevent horses escaping off the property onto the surrounding roads.

RACEDAY STALLS: Given there could be a high number of starters with resulting pressure on tie-up stalls Trainers are asked to work together in managing the use of tie-up stalls. Please do not leave vacant stalls between you and your neighbour. Any reserved stalls will be released if horses have nowhere to go. Please return horses to the Visitors/Permanent Stables as soon as possible after racing. There are 130 stalls in total including the eight uncovered tie-up stalls facing north and the eight behind the pond. 40 new stalls are being built and will be available for the NZ Cup Meeting.

VISITORS STABLES CONGESTION: Trainers are asked to park horse floats in a manner that does not cause congestion in the walkway to the track. During track work people need to be observant that horses and being led and ridden to the track.
