NZTR CIRCULAR 2021/22 – No.18

TO RACING CLUBS AND OTHER RECOGNISED INDUSTRY ORGANISATIONS

Consultation on Proposed Changes to Training and Licensing Structures

Earlier this year as part of NZTR's Industry Reshaping Strategic Priorities NZTR expressed an intention to reform NZTR's training and licensing systems.

Attached to this circular is a paper setting out proposed changes to the structure of the licences NZTR issues together with the first stage of what will build to comprehensive reform of thoroughbred racing's education, training and career pathways.

In addition, further detail is included in associated papers that may be found on the Rules, Directives, Policies & Regulations webpage (see [via link](#)) – under the heading 'Matters for Consultation'.

Feedback on the proposals in the paper is sought by 1 February 2022, and should be submitted to licensing@nztr.co.nz.
