INNOVATION FUND

The NZTR funding policy for the current season includes the establishment of a \$500,000 innovation fund and the first five club innovations to be approved are detailed below.

ODT SOUTHERN MILE SERIES

The Otago Racing Club is promoting the Otago Daily Times Southern Mile series, to be staged by six clubs over four venues, with the opening race on Boxing Day and the final at Wingatui on March 5.

There will be 10 qualifying races, each run over 1600 metres, at the Rating 65 and Rating 74 level.

The final will be a 1600m Benchmark Rating 82 Special Conditions Handicap.

To be eligible for the final, horses **must** have competed in at least one qualifying race.

Points will be allocated on the following basis: 10 points for 1st, 8 points for 2nd, 7 points for 3rd, 6 points for 4th, 5 points for 5th, 4 points for 6th, 3 points for 7th, 2 points for 8th, 1 point for 9th and 1 point for 10th.

The field for the final will be selected from the horses with the highest number of points. In the event of horses being on the same number of points, preference will be given to heat winners. If there is no heat winner, selection will be based on horse ratings, followed by NZTR Handicapper discretion.

In the event of a qualifying race at a feature meeting being split, the consolation race placegetters will receive half points i.e. 5 points for 1st, 4 points for 2nd and so on down to 10th. There will be no additional stake added to a consolation race.

In the event of a qualifying race at an industry meeting being split, the additional stake of \$5,000 will be divided equally over the two races. Placegetters will receive full points i.e. 10 points for 1st, 8 points for 2nd and so on down to 10th.

In the event of a dead-heat points will be divided i.e. Dead Heat for 1st 10 points & 2nd 8 points added & divided by 2 = 9 points each.

Fillies & mares & 3YO allowances apply [including final]

Two year olds excluded.

Apprentice allowances apply [including final]

BALLOTING CONDITIONS

The following horses, if entered for the 2022 Vodafone NZ Derby, will be exempt from the ballot. Horses placed first, second and third in the Avondale Guineas and horses placed first, second and third in the Waikato Guineas.

Horses which, at the time of final withdrawal, have received the least amount of aggregate qualifying stake money will be eliminated first. This procedure will continue until the stipulated field limit has been reached.

In determining the aggregate qualifying prize money, the following conditions will apply.

Two-year-old stake money: Only stake money earned in Group I two-year-old races will be taken into account.

Karaka Million 3YO Classic: Stake money for first to fifth (inclusive) will be taken into account. For the avoidance of doubt, stake money for horses that place 6th to last in the 3YO Classic will not be taken into account.

No bonus stake money will be taken into account.

Qualifying stake money will therefore comprise the total stake money earned as a three-year-old – with the exception of sixth to last in the Karaka Million 3YO – plus any stake money earned in a Group I two-year-old race but exclude any bonus stake money earned at any time.

As per NZTR policy, any qualifying stake money earned overseas will be converted to NZ dollars at the exchange rate quoted by a major trading bank, of the Auckland Racing Club's choice, on 1 January 2022.

In the event of two or more horses having earned identical stake money, preference will be given to: Winners that have been placed first, second or third in a Group or Listed race of 1600 metres or further and: Horses with winning form at distances of more than 1600 metres

Maidens at the time of final withdrawal, other than those placed in a Group or Listed race as a three-year-old, are ineligible.

For the purposes of these balloting conditions, the term "bonus stake money" means any bonus or other amount that is credited to a horse in respect of a race which does not form part of the NZTR-advertised stake credited to the horse on account of such horse having been placed in a

stake-bearing place in that race.

Once entered for the Vodafone NZ Derby, horses remain in the race till they are withdrawn. NB: Owners will be liable for fees which become due if horses are not withdrawn.
