RACE COMMENTS:

Race 1	PORT FM SPRINT 2YO+ MAIDEN (1200m)
<p>BOUJET LA was a little slow to begin and shortly after was crowded between GALLANT BABE and TILLY which shifted ground.</p> <p>GOD SEND was slow to begin.</p> <p>PARADISE CITY and KEYNOTE bumped on jumping.</p> <p>Approaching the 900 metres DRAGON'S GLORY, when being steadied, shifted outwards and clipped the heels of PARADISE CITY. Consequently DRAGON'S GLORY blundered, lost considerable ground and severely hampered LADY LUNCHALOT. In this incident TILLY was also hampered and became unbalanced, with WAITIN AWHILE being inconvenienced.</p> <p>TILLY and LADY LUNCHALOT raced wide throughout.</p> <p>Approaching the 700 metres SOLID SILVER commenced to hang out across the heels of KATRIFRIC and in doing so carried PARADISE CITY and TILLY wider on the track.</p>	

Near the 250 metres **GALLANT BABE** was steadied when disappointed for a run.
 When questioned regarding his ride on **BOUJET LA**, rider C Johnson stated that from the wide barrier draw he was instructed to ride his mount in a mid to mid back position. He advised that after beginning a little slow he elected to drop to the tail of the field and take up a position closer to the rails. He added in the straight he had a checkered run and was never able to fully test the gelding until the final 30 metres.
 C Barnes, the rider of **HALO BAY**, reported that her mount raced greenly for the majority of the race.

Race 2	LION LTD DASH RATING 85 (1200m)
---------------	--

ROYAL GOVERNESS was slow to begin and then raced wide throughout.
FONEELEVEN raced keenly in the early and middle stages.
 Apprentice R Hutchings, accompanied by Mr S Kennedy, defended a charge of careless riding under the provisions of Rule 638(1)(d) in that approaching the 250 metres **ROYAL GOVERNESS** had to be checked to avoid the heels of his mount **DOZINTMATERANYWAY** which shifted out. After considering all evidence the Judicial Committee suspended R Hutchings' licence to ride at races for 2 days effective 3 to 5 December 2012 inclusive.
 When questioned regarding the performance of **ROYAL GOVERNESS**, rider S Muniandy explained that although the mare was caught wide for the majority of the race, in his opinion she was reluctant to race and may have resented the tongue tie. A post race veterinary inspection of **ROYAL GOVERNESS** revealed a superficial laceration to the left foreleg.

Race 3	CENTRAL SI OWNERS & TRAINERS ASSN MAIDEN (1600m)
---------------	---

ISTATADLATE began awkwardly.

 Passing the 1100 metres **HARDEN UP SON** which was racing keenly clipped the heels of **RATE MYSELF** and blundered.
HARDEN UP SON continued to race keenly for some distance thereafter and raced wide for the remainder of the race.
 C Johnson, the rider of **SOMETHING GOOD**, reported that his mount hung out for the majority of the race and in his opinion was not suited to today's track surface.
 S Muniandy, the rider of **RIDLEY**, advised that his mount never travelled throughout and was under hard riding from near the 800 metres and after receiving a nice run in the straight ran to the line well.
 When questioned, apprentice C Barnes, the rider of **PERFECTLY COURT**, advised that after being hampered at the start her mount got a lot further back than expected and never felt comfortable in the early and middle stages. She stated that just prior to straightening the gelding commenced to pick up the bit and got home nicely despite being momentarily held up near the 100 metres. A post race veterinary examination of **PERFECTLY COURT** did not reveal any obvious abnormalities. Following this race the track was downgraded to Dead 6.
