RACE COMMENTS:

Race 1	ASCOT BLOODSTOCK MAIDEN 2000
<p>CARINYA, HOLD THE DREAM and WALLY were all crowded leaving the barriers when runners either side shifted ground. As a result HOLD THE DREAM and WALLY lost ground. CHANTILLY LACE began awkwardly and got back.</p>	
Race 2	SPEIGHT'S PUNTERS COMPETITION SATURDAY, 20TH JULY STAYERS
<p>GOGINGA and ASTANA both began awkwardly and lost ground. Shortly after entering the back straight MISS HOLLY (S Doyle) faltered in its stride and went back sharply on to RANGATIRA and MYBACK which both had to take evasive action to avoid MISS HOLLY. When questioned S Doyle was of the opinion the mare may have swallowed a clod of earth. A subsequent post-race veterinary inspection revealed a dorsal displacement of the soft palate, with the veterinary surgeon recommending that a tongue tie be added to its gear prior to its next start. MISS HOLLY failed to finish.</p>	
Race 3	WAIKATO STUD OPUNAKE CUP SATURDAY, 20TH JULY STAYERS
<p>BROMPTON was slow to begin. HEAPZACASH and VALLEY OF PENTIRE both shifted ground inwards under pressure over the final stages Connections of 3rd placed VALLEY OF PENTIRE (K Smith) looked at video coverage of the final stages alleging interference by the 2nd placed HEAPZACASH (R Hannam) but elected not to proceed with an objection.</p>	
Race 4	PALM VIEW LODGE MAIDEN

At the start **BEAUDASTORM** shifted in bumping with **HOSTAGE** which in turn bumped with **GOOD RISK**.
 Passing the 400 metres **GOLDEN DUCK** hung outwards and bumped with **POWER TRIP** resulting in both runners becoming unbalanced. S Doyle the rider of **GOLDEN DUCK** reported his mount hung badly rounding the turn.
 I Lupton the rider of **JACHIL** was reminded of his obligations regarding his use of the whip on a horse out of contention.
 When questioned into the run of **HOSTAGE** rider C Perrett stated the mare failed to finish the race off after racing three to four wide throughout.

Race 5	I DO / ALLAN SHARROCK RACING STABLES 1600
---------------	--

ADALIA jumped inwards abruptly leaving the barrier crowding **ROYAL HAZE** in on to **EL PATRON** which was hampered and lost several lengths.

When questioned into the run of **ADALIA** rider M Dee could offer no tangible excuse however stable representative T Hazlett advised the mare was better suited to more rain affected ground.

Race 6	STEELFAB LTD 1400
---------------	--------------------------

TEODORA began awkwardly making contact with **CLOS DE TART** which stumbled shortly after.

A short distance after the start **SAFFRON** shifted out near the crossing which resulted in **SNEAKY SHAN** shifting outwards away from **SAFFRON** causing tightening to **CLASSIC RIO** and **TEODORA**.

When questioned into the run of **CLOS DE TART** which finished last, rider M Cameron could offer no tangible excuse. Representative T Hazlett advised the stable had been happy with the filly's leadup work prior to the event and the run was disappointing. A subsequent veterinary inspection failed to reveal any obvious abnormality, however T Hazlett undertook to monitor **CLOS DE TART**'s progress over the coming days and report any finding to the Stewards.

Race 7	ILONA KELLY STABLES MAIDEN F&M
---------------	---

GINA was tightened at the start and got back.

TINKA TINKA over raced in the lead.

CURVACEOUS hung outwards near the 900 metres and dictated **FASHION GURU** outwards resulting in **RUSSIAN HAZE**, **CELESTE** and **CRACKLING ROSIE** being tightened.

When questioned regarding the performance of **CELESTE** which tailed off, rider V Johnston advised the filly raced greenly and failed to hit out in the heavy 10 track conditions. Stable representative T McKee undertook to monitor the progress of **CELESTE** over coming days and report any finding to the Stewards.

Race 8	REGAL LODGE MAIDEN 3YO
---------------	-------------------------------

ELECTRIC FIZZ shifted in leaving the barrier hampering **BONNY HEIGHTS** which lost ground.

EL PRIMO jumped sideways abruptly at the start and bumped **IMAPUSS** which was forced wide and got back.

MER NOIRE raced keenly in the run down the back straight.

EL PRIMO hung outwards rounding the turn and shifted out bumping **IMAPUSS** near the 700 metres. **IMAPUSS** shifted in abruptly when tested with the whip near the 250 metres

When questioned into the run of **IMAPUSS** which finished well back, rider L Allpress said that after being bumped twice during the early and middle stages the filly lost confidence and commenced to race greenly. Stewards ordered a subsequent veterinary inspection which failed to reveal any abnormality.
