Rider Lammas admitted a resultant breach of Rule 330 (3) (c) and after consideration the Judicial Committee imposed a fine of \$500.</p> <p>NO ENEMY shifted out on jumping bumping with PHOENIX TYCOON which in turn bumped with BAM A LAM.</p> <p>WORKING CLASS raced three-wide without cover throughout.</p> <p>BARNIE O'MARNIE had to steady passing the 600 metres when attempting to improve into a tight run to the inside of LEGAL ADVICE (L Innes) which lay in. L Innes was advised that when in similar circumstances he is expected to provide sufficient room to runners on the inside.</p> <p>When questioned on the performance of MEURSAULT, rider K Myers reported that she was of the opinion the mare jarred up in the prevailing track conditions.</p> <p>When question on the performance of last-start winner LORRAINE, D Bradley could offer no excuses. LORRAINE returned to the enclosure with blood present in the mouth and a subsequent veterinary examination revealed the mare had suffered a laceration to the gum.</p>	
Race 2	TOTALLY VETS PREMIER (1100 metres)
<p>THE JEUNEYMAN had to steady passing the 200 metres, when weakening, after MASSALE which was improving on the outside, shifted in when only marginally clear. J Riddell was advised to exercise care when in similar circumstances.</p>	

Race 3	RICOH PREMIER (2000 metres)
<p>JULIANN made firm contact with the running rail during its preliminary and underwent a veterinary examination at the barrier before being cleared to start.</p> <p>ANGEL MINE and HER TO ETERNITY were slow to begin.</p> <p>GREY POWER raced wide in the early stages before being allowed to stride forward to sit outside the leader near the 1200 metres.</p> <p>FREDRICK WILLIAM was held up throughout the final straight and over the concluding stages was placed in restricted room between MCD AIDS and GREY POWER, which lay out.</p> <p>HER TO ETERNITY was held up rounding the turn until near the 200 metres.</p>	
Race 4	RICH HILL STUD PREMIER (1400 metres)
<p>KAIRANGA LAD began very awkwardly and lost ground.</p> <p>WEREGOINGTOGETCHA and WHATWEDO were slow away.</p> <p>KAWI and FAR FETCHED were tightened when making the junction onto the course proper after there was simultaneous movement from WHATWEDO and FAR FETCHED. WEREGOINGTYOCETCHA which was trailing had to steady in consequence. After questioning riders, no further action was deemed necessary.</p> <p>FAR FETCHED and ENHANCE over-raced in the early stages.</p> <p>KAIRANGA LAD got its head up near the 1200 metres when being restrained.</p> <p>OVERTHERIVER raced three-wide throughout.</p> <p>ENHANCE had to steady shortly after straightening when attempting to improve into a marginal run to the inside of KAIRANGA LAD and contacting the hindquarters of that runner. KAIRANGA LAD was in turn forced outwards onto WEREGOINGTYOCETCHA and clipped that runner's heel. Shortly after, ENHANCE again had to steady was outside KAWI which, when attempting to improve, was taken out by OVERTHERIVER which lay out under pressure. Stewards spoke to advisedly to apprentice M Dee (ENHANCE) with regard to the practice of improving into a run which had not fully developed.</p> <p>KAWI was then held up for a short distance prior to gaining clear running near the 200 metres.</p>

After questioning riders it was established that after making forward runs, as a consequence of an indifferent pace, WHO SHOT THEBARMAN, who was proving difficult to restrain, had shifted in and away from CROCODILE CANYON which shifted in when improving.
