#### **RACE COMMENTS:**

 Race 1
 94.4 THE SOUND MAIDEN HIGHWEIGHT 1600

 BELLE ZED and ODENSIAN were slow away.
 A short distance after the start FRUITION and SIR BUCKALOT were tightened severely and got back when MY MAGICIAN shifted in abruptly despite the rider's efforts to keep it straight.

**HAZY DAZE** made the first corner awkwardly and when being steadied, went back on to **SIR BUCKALOT** which had to steady when improving onto that runners heels.

Approaching the 200 metre mark **FRUITION** hung inwards and away from **ROMELO** which was improving to its outside and in doing so hampered **MY MAGICIAN** which had to be steadied.

When questioned, the rider of **SIR BUCKALOT** (D Nolan) advised that his mount got further back than intended after being tightened at the start and was unable to make up any discernable ground over the final stages in the heavy going.

# Race 2 SANTOFT STABLES RATING 65 1600

JED CLAMPETT and HANDLEMEWITHCARE were both slow to begin.

**ROD'S LINCOLN** raced wide without cover in the early and middle stages and near the 600 metres was shifted wider in search of better footing.

A subsequent veterinary inspection of **JED CLAMPETT** which finished well back, revealed the gelding to have swallowed a clod of earth and to have choked down during the running.
