GENERAL: (All comments pertaining to this meeting – e.g. drivers/riders not attending, delays and all other issues)

Due to the severe wind, the starting stalls were tried prior to the start of the meeting and as the gates did not open simultaneously, it was decided to start the jumping races as a flag start. The barriers were then placed at the 1000 metre start which was side on to the wind and when tested all gates opened simultaneously so it was decided to run race 3 and immediately after jockeys who rode in that event were questioned by the Stewards, the decision was unanimous that the conditions were unsafe to continue therefore the meeting was officially abandoned.

SUPPLEMENTARY: (All adjourned inquiries and follow up information relating to previous meetings)
