E Farr was reprimanded by Stewards and advised that a warning would be placed on her record.</p> <p>RUM'N'COKE commenced to give ground passing the 500 metres with ENURE improving on to that runner's heels near the 450 metres and having to steady for a distance.</p>

Trainer Mr A Wright was also questioned and THE NOTT underwent a post-race veterinary examination which did not reveal any abnormality. Following consideration of the matter, H Voss was charged with incompetent riding under Rule 638(1)(e) in that she had ridden in an incompetent manner failing to maintain her position in the early stages after beginning well and continuing to allow her mount to lose ground through the middle stages. With Ms Voss leaving the racecourse during the course of the Stewards' inquiries the matter will be heard at a later date, with a further charge being lodged under Rule 606 in that Ms Voss had left the racecourse without obtaining the permission of the Stipendiary Stewards to do so.</p>	
Race 4	WAIHOU TAVERN 2200
<p>IT'S COMPLICATED (M Cameron) lay in leaving the barriers, forcing SPECIAL UNIT (U Holmquist) inwards, crowding THE KAKAHU EXPRESS (B Hutton) on to CANDARA (M Coleman) which was forced across the heels of MUZICMUZICMUZIC (S Spratt).</p> <p>IT'S COMPLICATED raced ungenerously when being restrained in the early stages.</p> <p>Passing the 1200 metres SKILLS (V Colgan) had to be steadied when placed in restricted room between ZAH OFF (C Grylls) and BIXBY (D Johnson).</p>

When questioned regarding the performance of **THE KEEPT LADY** apprentice A Jones advised that the filly, which had won both its recent trials by jumping well and racing on the pace, had jumped away only fairly today, and got further back than intended where it had not felt overly comfortable in today's track conditions, and in particular the amount of kick-back and had been unable to recover.

After hearing all relevant evidence the Judicial Committee suspended G Cooksley's licence to ride in races 2 – 10 June inclusive, three riding days.
