---------------	---------------------------

BATTLE TIME (V Colgan) – following the race a Request for a Ruling was filed with the Judicial Committee under the provisions of Rule 632(2) as to whether **BATTLE TIME** may have gained an unfair advantage at the start. Film footage showed that whilst the starter was in the process of effecting a start **BATTLE TIME** had lunged forward forcing the front gates on its barrier stall to open slightly ahead of the remainder of field. After hearing submissions from all relevant parties

and assessing race footage in its entirety the Judicial Committee ruled that BATTLE TIME should retain its fourth placing and not be declared a non-starter. Made first turn awkwardly and commenced to over-race badly becoming awkwardly placed on the heels of MIME for a distance having to be firmly restrained near the 1000 metres. Became awkwardly placed on the heels of KAWI near the 250 metres when crowded by BOHEMIAN LILY which was forced outwards by EL PESCADO which shifted outwards. Checked 200 metres when EL PESCADO continued to shift outwards when not sufficiently clear.

C Lammas admitted a resultant charge of careless riding being suspended by the Judicial Committee from the conclusion of racing on Wednesday 21 September until the conclusion of racing on Friday 30 September, 6 riding days.

In assessing this incident Stewards took into account the racing manners of KAWI and the evidence given by rider L Innes as to the extent this had contributed along with the inconclusive nature of the film footage available. Continued to over-race in the middle stages when racing three wide without cover.

BOHEMIAN LILY (S Collett) – crowded at the 250 metres when EL PESCADO shifted outwards.

EL PESCADO (C Lammas) – raced in restricted room passing the 75 metres.
