GENERAL:

Following the running of Race 1 several riders reported to the Stewards that their mounts had slipped rounding the bend. This was confirmed when Stewards viewed video footage of that area. After inspection of the track by riders, club representatives, trainers and Stewards the decision was made to abandon the meeting.

SUPPLEMENTARY:

Waverley Racing Club - Sunday 13 November 2016
Race 7 TOM ANDREWS CONTRACTING/THE BOLD ONE @ GW STUD (1200 metres)
R Myers defended a breach of Rule 638 (1) (d) in that she allowed her mount DESANO to shift in when not sufficiently clear of ITELLYOUONETHING which clipped a heel and blundered dislodging its rider. Also dislodged as a result was the rider of INCOGNITO. After hearing submissions the Judicial Committee found the charge proven with Miss Myer's licence to ride in races suspended from the conclusion of racing on 27 November 2016 up to and including 10 December 2016 (7 days).
