RACE COMMENTS:

Race 1	RACECOURSE HOTEL & MOTOR LODGE SYDENHAM HURDLES (3100m)
<p>THE SHACKLER (A Kuru) - Underwent a pre race veterinary inspection after connections advised that the gelding had looked a little scratchy coming out of its box on race morning but had subsequently worked and appeared sound. THE SHACKLER was again inspected at the start following the preliminary and passed fit to race. After jumping the first fence the gelding became indifferent in its action and was then retired from the event immediately after jumping the second fence. Rider A Kuru advised that THE SHACKLER had felt fine during the preliminary and in the approach to the first fence during the race but immediately on landing had felt sore, further advising that he had been unable to pull THE SHACKLER up until after the second fence due to being unable to remove the gelding from the race clear of other runners. A post race veterinary inspection found the gelding to be lame in the right foreleg with swelling around the pastern. A veterinary certificate of fitness is required prior to racing next.</p> <p>LAKEKEEPER (E Farr) - Raced keenly in the early stages.</p> <p>MISS MIA (B Lammas) - Misjudged the fence near the 1500 metres, retired from the event after putting in a poor leap at the second to last fence when well beaten.</p> <p>GUY FOX (W Gordon) - Put in a poor leap at the fence passing the 800 metres losing momentum.</p> <p>JACKFROST (S Higgins) - Steadied when becoming awkwardly placed inside the heels of GUY FOX near the 700 metres.</p> <p>DRUMGOLD (G Walsh) - Made a poor jump at the last fence.</p>
