**SUPPLEMENTARY:****Racing Tauranga - Saturday 3 November 2018****Race 6 - Chesters Plumbing & Bathroom 1300**

**GIOVANNI CANALETTO** (S Collett) - Rider S Collett was questioned regarding her riding tactics advising that her instructions had been to ride the gelding, which was having its first start for some 2 ½ years, quietly in the early stages with the intention to ride for luck if necessary. S Collett further advised that after beginning fairly the gelding had been hampered shortly after the start and had raced a little ungenerously in the early to middle stages making contact with the running rail near the 700 metres and laying in early in the final straight but once fully balanced had worked home well. Whilst noting the explanation of S Collett she was advised that her lack of vigour between the 400 metres and 250 metres had been of concern when in the Stewards view she should have made more effort to track YOUR WAY into the race.
