DEEJAY MAC was passed fit to run following a veterinary inspection behind the barriers with the saddle being adjusted. Apprentice Goindasamy was reminded to thoroughly check his gear prior to weighing out as the buckle had not been properly attached. When questioned regarding performance rider advised that the gelding had found today's track conditions too firm and would be better to some easing of the ground. A post race veterinary inspection did not reveal any abnormality.</p> <p>DOUGIE (A Calder) - Dropped its head as the start was effected and was slow away as a result. Commenced to over race shortly after the start improving quickly inside the heels of SULIMAN (V Colgan) when that runner was shifting in with DOUGIE then racing in restricted room briefly before V Colgan immediately relieved the pressure.</p>
