Trainer A Frye was issued with a warning for presenting and racing GLORY CHANCE without the notified nasal strip.	
Trainer K Moore admitted a charge of presenting the wrong horse (AMAZON GODDESS which was an acceptor in Race 9) to race as PARAWANUI LAD. This error was detected at the inspection area with the correct horse then being saddled and presented. After hearing submissions the Judicial Committee fined K Moore the sum of \$500.	

HAZELSGIRL (B Murray) - Declared a late scratching at 11.55am on veterinary advice after escaping riderless from the stabling area and jumping a fence.

MILFORD SOUND (S Wynne) - Slow to begin, steadied near the 1100 metres when placed in restricted room to the inside of **JUSTABELLE** (G Jogoo) which shifted inwards abruptly before being corrected by its rider. G Jogoo was advised to exercise greater care. When questioned regarding the performance of this favoured runner, rider advised that after a poor beginning the gelding had got further back than intended after having to be steadied shortly after the start. Ms Wynne further explained she had then considered trying to improve forward from the 600 metres but felt she would have had to cover too much extra ground to do so, electing to stay to the inside and ride for luck with the gelding then making good ground before running out of room over the concluding stages, adding that **MILFORD SOUND** had been inclined to race greenly and would benefit from today's experience.
