However, after settling three wide with cover behind ENCHANTING PEARL in the back straight, she had found herself further back than intended with ENCHANTING PEARL failing to take RELIABLE MISS into the race rounding the home turn. She further added that she was reluctant to improve wide around the field in the run along the back straight due the pace of the race and taking into account being three wide. H Schofer was shown footage of her ride in the presence of her employer who confirmed the riding instructions given, and the riding master. H Schofer's explanation was noted and she was advised that she is expected to exercise better judgment in future.
