After speaking with both the rider and co-trainer Stewards have placed a racing manners warning on the mare after it hung for the majority of the race. Co-trainer K Tyler was of the opinion the mare was feeling the firm nature of the track but the mare had returned to the home stable in good condition and he was happy with her work this week. He further added ROSIE GLOW would carry on in her current campaign but would be looking for tracks with more moisture in them.</p> <p>Trainer S Blair-Edie (NESTA) advised that his apprentice A Bohorun who was dislodged after the winning post underwent a further medical examination and was found to have two small fractures to vertebrae in his neck and he would now be away from all riding for the next three months or possibly longer.
