Landed awkwardly after jumping the second to last fence, briefly losing its footing, unbalancing the rider with the horse being retired from the event as a result. When questioned, S O'Malley advised the gelding, which was having its first steeplechase start, jumped the brush fences too high and would improve with experience.

**MRS TWINKLETOES** (B Donoghue) - Made contact with a track marker near the 800 metres. Ran down the second to last fence.
