BEAU ROUGE (R Mudhoo) - Hampered near the 1100 metres. Crowded and checked near the 200 metres. When questioned regarding his ride apprentice Mudhoo advised that he had been instructed to attempt to obtain a midfield position with cover but after jumping from a wide barrier the gelding had got its head up and raced ungenerously when he was attempting to get it to settle and several other runners to his inside had also been over-racing going into the first turn where he had been further hampered and forced even wider on the track. Mr Mudhoo further advised that when BEAU ROUGE continued to refuse to settle that he had then elected to try and improve forward to obtain a position closer to the running rail but continued to be trapped wide for a distance initially when MEGAVISION was also urged forward to his inside and was never able to get to a position closer than three wide and had fought on well in the circumstances including being crowded and checked near the 200 metres.
