Race 7 | **PRYDE'S EASIFEED 2000**

TE POROPITI (R Elliot) - Crowded leaving the barriers. Lost contact with the body of the field in the early stages then became tailed off and was not persevered with thereafter. When questioned regarding the performance the rider advised that the gelding had felt indifferent in its action in the early stages and had failed to hit out. Underwent a post-race veterinary examination which did not reveal any abnormality. Co-trainer G Rogerson advised that the gelding would not be persevered with as a racing proposition from their stable. Connections were advised that the gelding would be required to barrier trial to the satisfaction of Stewards prior to racing next.

SO THE FOX (J Doyle) - Restrained to obtain cover in the early stages after jumping from the outside barrier.

TEMPEST KHAN (D Cooper) – Over-raced in the early stages when leading. Stewards questioned the riding tactics adopted in the early and middle stages when racing keenly in the lead. D Cooper, assisted by riding mentor N Harris, explained that his mount had over-raced when being steadied in the early stages and had continued to do so when being challenged for the lead through the middle stages. Stewards noted D Cooper's explanation and advised that he would be expected to show better judgement in the future.

KAWATIRI (M McNab) - Improved onto heels passing the 1300 metres having to be steadied.

Connections were advised that the gelding would be required to barrier trial left-handed to the satisfaction of Stewards prior to racing next. Stewards questioned the riding tactics adopted in the early and middle stages when racing keenly outside the lead. N Hailey, assisted by riding mentor N Harris, advised that his mount had over-raced when racing outside the leader and when he had attempted to improve forward, the leader had improved forward inside him. Stewards noted N Hailey's explanation and advised that he would be expected to show better judgement in the future.

Underwent a post-race veterinary examination which revealed a suspected tendon injury to the right foreleg and minor lacerations on the gelding's fetlocks. Connections were advised that a veterinary clearance would be required prior to racing next.

D Cooper (TEMPEST KHAN) - Issued with a warning for the manner in which he eased the pace passing the 1300 metres dropping back onto KAWATIRI which had to be steadied.

N Hailey (NORTHERN RAIDER) - Issued with a warning for the manner in which he eased the pace passing the 1300 metres dropping back onto UHTRED which had to be steadied.

N Hailey (NORTHERN RAIDER) - Admitted a charge of careless riding in that he permitted his mount to shift out when not sufficiently clear of RARE COMPANY which had to be checked near the 100 metres. After considering submissions the Adjudicative Committee imposed a suspension of N Hailey's licence to ride in races from the conclusion of racing on Saturday 22 July up to and including racing on Friday 28 July, 4 national riding days.
