Race 4 | **ENTAIN/NZB INSURANCE PEARL SERIES 1300**

PAX MUNDI (S Weatherley) – Restrained to obtain cover in the early stages from the outside barrier. Held up for clear running rounding the final bend and throughout the straight. Underwent a post-race veterinary examination which did not reveal any abnormality. Stewards questioned S Weatherley regarding his riding tactics adopted through the middle stages and in the final straight. S Weatherley explained that his instructions were to ride the filly in a conservative manner through the early and middle stages from the outside barrier. He said his mount has a tendency to over-race so did not want to push her forward and be three wide in a six horse field. He further explained that he was placed inside the heels of MY CHABLIS throughout and would have had to pull back and lose three lengths to get to the outside of that runner, which he believed would not have benefitted the filly as she was travelling well. Once in the final straight S Weatherley added he was out of options both to his inside and outside, and riding for luck had not panned out. Trainer T Pike confirmed the riding instructions. Stewards noted S Weatherley's explanation.
