SUPPLEMENTARY

Waikato Thoroughbred Racing at Cambridge Synthetic Trials – Tuesday, 27 February 2024 Heat 12, 2YO Catchweight 800 metres

Stewards concluded an enquiry into interference received by LOCH ANGEL (T Newman) which was contacted by FAST IMPACT (J Fawcett) which had shifted out near the 300 metres. When questioned J Fawcett explained FAST IMPACT which was having its first trial had raced greenly and when LOCH ANGEL lay outwards approaching the 300 metres a gap had appeared to the inside of that runner as a consequence. Miss Fawcett further stated that when attempting to improve into the gap which had opened her mount had taken charge and continued to shift outwards very abruptly as LOCH ANGEL was being corrected by its rider, resulting in the two runners making heavy contact. When assessing the incident Stewards noted that T Newman was attempting to correct her mount and shifting inwards when contact with FAST IMPACT is made. On the available footage, Stewards were unable to determine how much of a gap had originally presented for FAST IMPACT to attempt to improve into. After considering the evidence given by both riders and viewing the one available camera angle at length, Stewards concluded that on this occasion Miss Fawcett be severely reprimanded and issued with a warning under Rule 638(1)(d).
