HAAST RULER was subsequently declared a late scratching at 12.41pm. Miss Bakker was advised a Medical Clearance would be required prior to her riding next.

**TIPSY TART** (B Rogerson) - Underwent a pre-race veterinary inspection after blood was found to be present in its mouth around at the start area and was cleared to race. Began awkwardly losing ground.

**LOOSE KNICKERS** (T Moseley) - Slow to begin. Blundered passing the 500 metres.

**HASSTOBEREEL** (A Goindasamy) - Over-raced in the early-stages and got its head up when being steadied to take a trailing position near the 1000 metres. Rider reported the gelding had held its breath during the running.

**MY GIRL CANDY** (S Wynne) - When asked to comment on the performance rider advised that the mare had failed to see out the distance of today's race.

Following Race 2 the track conditions were upgraded to Soft 5.

##### Race 3 GORE ELITE PLUMBING (1400m)

Trainer **J Dalton** was fined \$50 under the Minor Infringement Schedule after presenting MONTE KHAN with the incorrect saddle cloth number.

**MONTE KHAN** (S Wynne) - After initially being slow to begin was taken back from a wide draw to obtain cover.

**BLEAKHOUSE BURTIE** (K Mudhoo – Raced three wide without cover in the early stages. Lay in throughout the run home and could not be ridden to full advantage.

**ANAFTERNOONDELIGHT** (T Ladouceur) - Over-raced in the early stages and near the 1000 metres had to be restrained off the heels of MORNING STAR.

**SUNSET EXPRESS** (R Jaun) - Raced three wide without cover from the 1000 metres.

**MORNING STAR** (K Williams) - Steadied passing the 1000 metres to take a trailing position. When asked to comment on the performance of the favoured runner rider advised she felt the back legs had been galloped on during the running with this having been detrimental to the horse's chances. A post-race veterinary examination confirmed the mare to have superficial abrasions on the right hind leg consistent with having been galloped on.

**PEGAU** (B May) - When asked to comment on the performance rider advised that the mare had been taken on while leading through the early to middle stages which had been detrimental to the horse's chances.

**STOP YELLING** (L Callaway) - When asked to comment on the seemingly improved performance rider advised that the gelding had benefitted from the drop back in class of today's race and the better track conditions.

**THREE NINETY** (Y Atchamah) - Slow to begin.

**WHERE'S WALLY** (K Williams) - Contacted on jumping. Over-raced in the early stages getting its head up when being restrained passing the 1200 metres and then continued to over-race for a distance. Steadied passing the 300 metres when SEVEN TWENTY shifted out looking for clear racing room.

**POMALO** (R Jaun) - Failed to hit out in the early stages becoming detached from the body of the field. When questioned regarding this the rider advised that the mare had knuckled shortly after the start and attempted to buck for several strides losing ground. Mr Jaun added that when pulling up he felt something to be amiss with the mare. A post-race veterinary examination revealed no apparent abnormality. Connections also advised that the mare may not have been comfortable in today's firmer track conditions.

**GAME DUKE** (S Wynne) - Began awkwardly losing ground. Held up for several strides passing the 250 metres.

**HAZEL MAY** (B Rogerson) - Taken back from a wide draw to obtain cover shortly after the start. Lay out rounding the final bend shifting wider on the track and was not persevered with in the home straight when laying outwards badly. When asked to comment on the performance rider advised that the mare had hung outwards from the 500 metres and proved a very difficult steer. A post-race veterinary examination revealed no apparent abnormality. Connections were advised the mare must trial to the satisfaction of Stewards prior to racing next.
