So what's Percentage Betting

PERCENTAGE BETTING - PERCENTAGE RESULTS

It's simple - you pay a percentage of the price of a Trifecta or Quinella in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is 5% and the minimum cut is 5 cents. So just name your price and your in to win at a price that suits you.

With a Quinella you simply pick two runners to come 1st and 2nd in either order. The most popular way of betting on a Quinella is a BOXED Quinella which means you pick three or more runners and if any two of them take 1st and 2nd, you win the Quinella dividend. The minimum bet value is $1. Remember the more runners you pick, the more the Boxed Quinella will cost.

EXAMPLE OF A SIMPLIFIED BOXED QUINELLA

Box runners 1, 2 and 3. You need to pick 2 or more runners for a Boxed Quinella. This gives you the following options to win: 1-2 and 1-3, 1-2 and 2-3 and 3-2 and costs $3.
