Dear Owner

The Committee of Racing Tauranga thank you for your support by racing your horse at Tauranga Racecourse today.

The Committee look forward to meeting the owners of each winner in the birdcage/weigh in area after each race to extend their congratulations.

To ensure you are not missed during the obvious excitement after the event the committee encourage owners to introduce themselves to one of the several committee members in attendance in this area after each event!

Owners are now invited to use the Fairway Lounge (formerly restricted to members only) which is located upstairs at the Western end of the Members Stand.

Good luck with your horse today, and throughout the season. We look forward to seeing you back at Tauranga Racecourse.

How to read raceform

Runner number. This is the number on the horse's saddle cloth.

Indicates colour, sex and age of runner.
Colour; B=bay, BR=brown, BL=black, G=grey, RN=roan, CH=chestnut. **Sex;** Female = M or F (Mare or Filly), Male = G, H or C (Gelding, Horse, Colt). **Age;** this runner is 4 years old.

This is the name of the runner (horse).

An expert's comment on how they think the runner might perform in the race.

Jockey's racing colours (Silks).

Jockey's name.

1 PHAR LAP

CH G 4 yrs

Red, Black & Green hooped Sleeves & Red Cap

Jim Pike

Dst (3-1-2)

1X011 *Won last two starts impressively. Will be hard to beat.*

Placing the runner has achieved in its last 5 races. The most recent race is on the right. 1 = 1st place, 2 = 2nd place etc, 0 = finished worse than 10th, X = runner had a three month break from racing.

Dst indicates how the horse has performed over this particular distance in the past. The first number indicates how many times it has run, the second number how many times it has won, and third number indicates a place (eg: *Pharlap* has had 3 starts, 1 win and 2 places).

Tips to picking a winner!

- ◆ Favourites, on average, win about 30% of the time.
- ◆ Look for a calm but alert horse when they parade in the birdcage before the race.
- ◆ Following a winning jockey at a meeting can be a profitable plan!
- ◆ See if your runner has won before on the same distance.
- ◆ You don't need to be an expert to win - picking the colours, names or numbers you like can result in a win.

Dear Christmas Guest,

Fancy a festive flutter but just can't decide who to pick?

Well look no further because I have your race picks covered this Christmas!

And in order to spread a little more of my special Christmas cheer I have decided to share with you **Santa's Pick**. The Jockey/Driver of my pick for each race will be sporting a red cap like mine and is certainly worth a few bob each way! Make it even easier to place your bet by using a Christmas Cracker betting slip.

Join me in a merry little flutter this Christmas.

Santa

ALL UP BETTING

This IS NOT a new bet type of pool, but a mechanism which allows automatic reinvestment of your winnings on to the next event of your choice. Dividends earned from the 1st event will be reinvested "All Up" on the 2nd selected event, and so on. If you choose to bet **ALL UP** you **MUST** fill in a betslip marking the selected races and runners.

QUINELLA/TRIFECTA BETTING

Quinellas - Minimum bet unit \$1
Trifectas - Dividends are displayed for \$1 but betting in 50 cent Units is now available. When betting in 50 cent units you Must select sufficient combinations so that the ticket has a Minimum value of \$2.00.

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple - you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.
