ALL UP BETTING

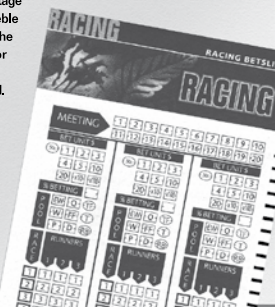

This IS NOT a new bet type of pool, but a mechanism which allows automatic reinvestment of your winnings on to the next event of your choice. Dividends earned from the 1st event will be reinvested "All Up" on the 2nd selected event, and so on. If you choose to bet **ALL UP** you **MUST** fill in a betslip marking the selected races and runners.

TRACK TIPS

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.

LOSING TICKET DRAW

PLACE YOUR LOSING BETTING TICKETS INTO THE BARREL BY THE RACE DAY OFFICE AND BE IN TO WIN SOME GREAT PRIZES

Write your name and contact details on the reverse side.
Draws will be made throughout the afternoon

TRACK TIPS

Give it the old one-two!

With a **Quinella** you simply pick two runners to come 1st and 2nd in either order.

The most popular way of taking a Quinella is a **BOXED Quinella**, which means you pick three or more runners and if ANY two of them finish 1st and 2nd, you will win the Quinella dividend.

The minimum bet value is \$1.

Remember the more runners you pick, the more the Boxed Quinella will cost.

EASY GUIDE TO CALCULATE YOUR BOXED QUINELLA BETS

3 runners will cost	\$3.00
4 runners will cost	\$6.00
5 runners will cost	\$10.00
6 runners will cost	\$15.00
7 runners will cost	\$21.00

EXAMPLE OF A SIMPLE BOXED QUINELLA

Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Quinella).
 This gives you the following options to win: 1-2 and 2-1, 1-3 and 3-1, 2-3 and 3-2 and costs \$3.

TRACK TIPS

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.
