TRACK TIPS

How easy!

If you can't decide on a runner to back, ask the operator for an Easybet and the computer will pick a selection of runners for you from the on-course favourites of that race. Simply choose the amount you want to spend (from \$1 up) and the bet type. **How easy is that?**

Give it the old one-two!

With a **Quinella** you simply pick two runners to come 1st and 2nd in either order.

The most popular way of taking a Quinella is a **BOXED Quinella**, which means you pick three or more runners and if ANY two of them finish 1st and 2nd, you will win the Quinella dividend.

The minimum bet value is \$1.

Remember the more runners you pick, the more the Boxed Quinella will cost.

EASY GUIDE TO CALCULATE YOUR BOXED QUINELLA BETS

3 runners will cost	\$3.00
4 runners will cost	\$6.00
5 runners will cost	\$10.00
6 runners will cost	\$15.00
7 runners will cost	\$21.00

EXAMPLE OF A SIMPLE BOXED QUINELLA

Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Quinella). This gives you the following options to win: 1-2 and 2-1, 1-3 and 3-1, 2-3 and 3-2 and costs \$3.

ALL UP BETTING

This IS NOT a new bet type of pool, but a mechanism which allows automatic reinvestment of your winnings on to the next event of your choice.

Dividends earned from the 1st event will be reinvested "All Up" on the 2nd selected event, and so on.

If you choose to bet **ALL UP** you *MUST* fill in a betslip marking the selected races and runners.

Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.

The President, Committee and Members of the Avondale Jockey Club are pleased to support the Auckland Racing Club in the running of today's racemeeting.

They would also like to thank the Chairman and Board of the Auckland Racing Club for their co operation in staging the Group II Avondale Cup and Group II Avondale Guineas today and the Group II Concorde Handicap which was run in December.

The Avondale Jockey Club is also pleased to support King's School in their Charity Raceday. The President and Committee welcome their guests to today's meeting and trust that all have an enjoyable and profitable day.

TRACK TIPS

Want big race returns?

With a **Trifecta** you pick the runners to come 1st, 2nd and 3rd in the **CORRECT** order.

A popular way of taking a Trifecta is a **BOXED Trifecta**. This means you buy all the combinations for your runners to come 1st, 2nd and 3rd, see example. You can choose any number of runners to box.

You can keep the cost of a Trifecta bet down by playing with 50 CENT units and if you win the Trifecta you will win half the Trifecta dividend.

EASY GUIDE TO CALCULATE YOUR BOXED TRIFECTA BETS

Number of runners	\$1.00 units	.50c units
3	\$6.00	\$3.00
4	\$24.00	\$12.00
5	\$60.00	\$30.00
6	\$120.00	\$60.00

Or, simply tell the operator the **total amount** you want to spend and ask for a **Percentage Trifecta** or **Boxed Trifecta** bet.

EXAMPLE OF A SIMPLE BOXED TRIFECTA

Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Trifecta). This gives you the following options to win: 1-2-3, 2-3-1, 3-1-2, 1-3-2, 2-1-3, 3-2-1 and costs \$6.

\$1 is the minimum bet value.

How to read raceform

Runner number. This is the number on the horse's saddle cloth.

Indicates colour, sex and age of runner.
Colour; B=bay, BR=brown, BL=black, G=grey, RN=roan, CH=chestnut. **Sex;** Female = M or F (Mare or Filly), Male = G, H or C (Gelding, Horse, Colt). **Age;** this runner is 4 years old.

This is the name of the runner (horse).

An expert's comment on how they think the runner might perform in the race.

Jockey's racing colours (Silks).

Jockey's name.

1 PHAR LAP
 CH G 4 yrs
Red, Black & Green hooped Sleeves & Red Cap
Jim Pike
 Dst (3-1-2)
1X011 *Won last two starts impressively. Will be hard to beat.*

Placings the runner has achieved in its last 5 races. The most recent race is on the right. 1 = 1st place, 2 = 2nd place etc, 0 = finished worse than 10th, X = runner had a three month break from racing.

Dst indicates how the horse has performed over this particular distance in the past. The first number indicates how many times it has run, the second number how many times it has won, and third number indicates a place (eg: *Pharlap* has had 3 starts, 1 win and 2 places).

Tips to picking a winner!

- ◆ Favourites, on average, win about 30% of the time.
- ◆ Look for a calm but alert horse when they parade in the birdcage before the race.
- ◆ Following a winning jockey at a meeting can be a profitable plan!
- ◆ See if your runner has won before on the same distance.
- ◆ You don't need to be an expert to win - picking the colours, names or numbers you like can result in a win.

TRACK TIPS

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.

We never stop trying to make your day a little brighter.

At Fuji Xerox we are proud to be the document technology partner that helps King's School stay at the forefront of education in New Zealand. Needless to say, we'll continue to put our brightest thinking into finding ways to keep them there. It's what we call leadership through innovation. To discuss how a partnership with Fuji Xerox can help your school to work smarter, both now and into the future, call us today on 0800 493 769 or visit www.fujixerox.co.nz

BET ON
SUMMER

All Races

INTRODUCING FIRST4

First4 is a challenging new bet type with big rewards. Just select the first four runners in the correct finishing order. For example the result pictured below would be 4-7-1-3.

Boxed First4 Combinations

Boxed First4 gives you all your selections in any orders.

Boxed Runners	\$1	50c (half dividend)
4	\$24.00	\$12.00
5	\$120.00	\$60.00
6	\$360.00	\$180.00

Easybet First4 Combinations

First4 Easybets give you a percentage (%) so if your bet comes in you get a percentage dividend!

Amount of bet	No of Combinations	Minimum % of Dividend
\$5.00	16	31%
\$6.00	24	25%
\$8.00	54	14%
\$12.00	120	10%
\$15.00	128	11%
\$20.00	200	10%
\$30.00	300	10%

A great brand isn't just something you choose, it's something you feel. It's that personal connection that forms in the hearts and minds of your customer. It's an emotional reaction to a product, its packaging, name or image. That reaction sparks a decision and that decision can influence behaviour. This is where we come in.

TRACK TIPS

Want big race returns?

With a **Trifecta** you pick the runners to come 1st, 2nd and 3rd in the **CORRECT** order.

A popular way of taking a Trifecta is a **BOXED Trifecta**. This means you buy all the combinations for your runners to come 1st, 2nd and 3rd, see example. You can choose any number of runners to box.

You can keep the cost of a Trifecta bet down by playing with **50 CENT** units and if you win the Trifecta you will win half the Trifecta dividend.

EASY GUIDE TO CALCULATE YOUR BOXED TRIFECTA BETS

Number of runners	\$1.00 units	.50c units
3	\$6.00	\$3.00
4	\$24.00	\$12.00
5	\$60.00	\$30.00
6	\$120.00	\$60.00

Or, simply tell the operator the **total amount** you want to spend and ask for a **Percentage Trifecta** or **Boxed Trifecta** bet.

EXAMPLE OF A SIMPLE BOXED TRIFECTA

Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Trifecta). This gives you the following options to win: 1-2-3, 2-3-1, 3-1-2, 1-3-2, 2-1-3, 3-2-1 and costs \$6.

\$1 is the minimum bet value.

QUINELLA/TRIFECTA BETTING

Quinellas – Minimum bet unit \$1

Trifectas – Dividends are displayed for \$1 but betting in 50 cent

Units is now available. When betting in 50 cent units you

Must select sufficient combinations so that the ticket has a

Minimum value of \$2.00.

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.

Megan Jaffe Real Estate Ltd

NEW ZEALAND BLOODSTOCK INSURANCE

New Zealand Bloodstock Insurance, along with our London Brokers and Underwriters, is proud to support Taranaki Thoroughbred Racing.

We are very grateful for the support that we receive from owners, trainers and breeders around the country.

For this reason we take great pleasure in sponsoring thoroughbred racing throughout New Zealand to support those that support our industry.

Best of luck to all runners in today's races!

"SUPPORT THOSE THAT SUPPORT YOU"

FOR ALL YOUR EQUINE INSURANCE NEEDS

TRACK TIPS

Give it the old one-two!

With a Quinella you simply pick two runners to come 1st and 2nd in either order.

The most popular way of taking a Quinella is a BOXED Quinella, which means you pick three or more runners and if ANY two of them finish 1st and 2nd, you will win the Quinella dividend.

The minimum bet value is \$1.

Remember the more runners you pick, the more the Boxed Quinella will cost.

EASY GUIDE TO CALCULATE YOUR BOXED QUINELLA BETS

3 runners will cost	\$3.00
4 runners will cost	\$6.00
5 runners will cost	\$10.00
6 runners will cost	\$15.00
7 runners will cost	\$21.00

EXAMPLE OF A SIMPLE BOXED QUINELLA

Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Quinella). This gives you the following options to win: 1-2 and 2-1, 1-3 and 3-1, 2-3 and 3-2 and costs \$3.
