So what’s Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It’s simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is $5 and the minimum bet unit is 5 cents. So just name your price and you’ll be in to win at a price that suits you.
