# Santa's Pick

Dear Christmas Guest

Fancy a festive flutter but just can't choose a horse?

Don't despair - I'm back on the job this year. Make sure you keep an eye out for 'Santa's Pick' and the jockey or driver with the red cap and the white pom pom.

Use the \$4 Christmas Cracker betting slip and its even easier.

Join me in a merry little flutter this Christmas!

# Merry Christmas, Santa

# How to read raceform

Runner number. This is the number on the horse's saddle cloth.

Indicates colour, sex and age of runner.  
**Colour;** B=bay, BR=brown, BL=black, G=grey, RN=roan, CH=chestnut. **Sex;** Female = M or F (Mare or Filly), Male = G, H or C (Gelding, Horse, Colt). **Age;** this runner is 4 years old.

This is the name of the runner (horse).

An expert's comment on how they think the runner might perform in the race.

Jockey's racing colours (Silks).

Jockey's name.

**1 PHAR LAP**

CH G 4 yrs

Red, Black & Green hooped Sleeves & Red Cap

**Jim Pike**

Dst (3-1-2)

**1X011** *Won last two starts impressively. Will be hard to beat.*

Placings the runner has achieved in its last 5 races. The most recent race is on the right. 1 = 1st place, 2 = 2nd place etc, 0 = finished worse than 10th, X = runner had a three month break from racing.

*Dst* indicates how the horse has performed over this particular distance in the past. The first number indicates how many times it has run, the second number how many times it has won, and third number indicates a place (eg: *Pharlap* has had 3 starts, 1 win and 2 places).

## Tips to picking a winner!

- ◆ Favourites, on average, win about 30% of the time.
- ◆ Look for a calm but alert horse when they parade in the birdcage before the race.
- ◆ Following a winning jockey at a meeting can be a profitable plan!
- ◆ See if your runner has won before on the same distance.
- ◆ You don't need to be an expert to win - picking the colours, names or numbers you like can result in a win.

Dear Owner

The Committee of Racing Tauranga thank you for your support by racing your horse at Tauranga Racecourse today.

The Committee look forward to meeting the owners of each winner in the birdcage/weigh in area after each race to extend their congratulations.

To ensure you are not missed during the obvious excitement after the event the committee encourage owners to introduce themselves to one of the several committee members in attendance in this area after each event!

Owners are now invited to use the Fairway Lounge (formerly restricted to members only) which is located upstairs at the Western end of the Members Stand.

Good luck with your horse today, and throughout the season. We look forward to seeing you back at Tauranga Racecourse.

An individual strand of silk is very fragile, and easily overlooked. However, when combined with other strands of silk, it gains strength and the material is able to be manufactured into a garment that can have great value and beauty. The silk thread mirrors what can be achieved in the lives of the people we support.

**ALL UP BETTING**

This IS NOT a new bet type of pool, but a mechanism which allows automatic reinvestment of your winnings on to the next event of your choice. Dividends earned from the 1<sup>st</sup> event will be reinvested "All Up" on the 2<sup>nd</sup> selected event, and so on. If you choose to bet ALL UP you MUST fill in a betslip marking the selected races and runners.

**How easy!**

If you can't decide on a runner to back, ask the operator for an Easybet and the computer will pick a selection of runners for you from the on-course favourites of that race. Simply choose the amount you want to spend (from \$1 up) and the bet type. **How easy is that?**
