Pure New Zealand Water

What's in  
your water?

**Utterly Unaltered. SpringFresh.**

In a world seemingly overwhelmed with excess and artificial complexity, even the basics can become confused... like a bottle of water. With choices awash in enhancements, additives, chemicals and sophisticated industrial treatments we present an alternative – SpringFresh. From its origins in the spectacular Southern Alps, the water is naturally filtered for 100 years or more before emerging from deep below the surface. SpringFresh is simply great tasting, South Island artesian water without any of the complication. **Pure. Unaltered. SpringFresh.**

The Wairarapa Racing Club would like to thank the following sponsors for their support of the 2<sup>nd</sup> January and 6<sup>th</sup> February race days

Ron Cunningham a long time supporter of Racing through breeding and ownership and a member of the Club was the successful drawer of the naming rights to this years Wairarapa Cup.

Ron has chosen to name the race after his successful sprinter RAT TAT known for his love of wet tracks. Rat Tat was formerly trained at Tauherenikau and Trentham but now at Levin, now a 10 year old he is still winning races and he recently was the winner of his 13<sup>th</sup> race, after starting as a 2 year old when he won the Listed Wellesley Stakes and Ryder Stakes. We thank Ron for his support.

Wairarapa Racing Club would also like to thank all of the following for joining their inaugural Supporters Club and there invaluable support will assist us to maintain and continue racing at Tauherenikau.

# So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.
